Poster Session Guidelines

We encourage all conference attendees to present a poster on the topic of your choice, including stories and photos from your program, research, and data. This is a **FREE** opportunity.

- Posters will be displayed on easels in the Wolfpoint Ballroom at the Holiday Inn Mart Plaza.
- As space is limited, we are asking that you **limit the size of your poster to no larger than 30" x 40"**.
- Display easels will be provided for you by the hotel.
- HealthConnect One will also provide sturdy foam core for your use (either to prop a floppy poster or to assemble your poster on-site).
- Handouts are welcomed and encouraged, and we will provide you with a place to display them at the conference. Please put your name and contact information on any handouts in the event that a viewer would like to contact you.
- No audiovisual equipment is permitted for poster presentations.
- Posters can be dropped off at the conference registration desk on Wednesday night, September 23, or brought to the Wolfpoint Ballroom between 7:00am and 7:30am on Thursday, September 24.
- If you need to mail your poster to HCO, please contact Mairita Smiltars. Please note that HCO **cannot ship back** any posters at the conclusion of the conference.
