

Breastfeeding Data System Launch Webinar

Brenda Reyes & Sarah Kerch
HealthConnect One

Introduction to BDS

- HealthConnect One is proud to finally share the Breastfeeding Data System!
- This new system will strengthen the community-based breastfeeding peer counselor model by building the research base behind it
- BDS is designed to be user-focused, easy and accessible!

Webinar Agenda

- Importance of Confidentiality & Security
- Introduction to Breastfeeding Data System (BDS)
- Overview of the BDS site
 - Actual BDS:
<https://www.breastfeedingdatasystem.org/>
 - Webinar Site:
<http://demo.breastfeedingdatasystem.org/>
- Questions & Answers

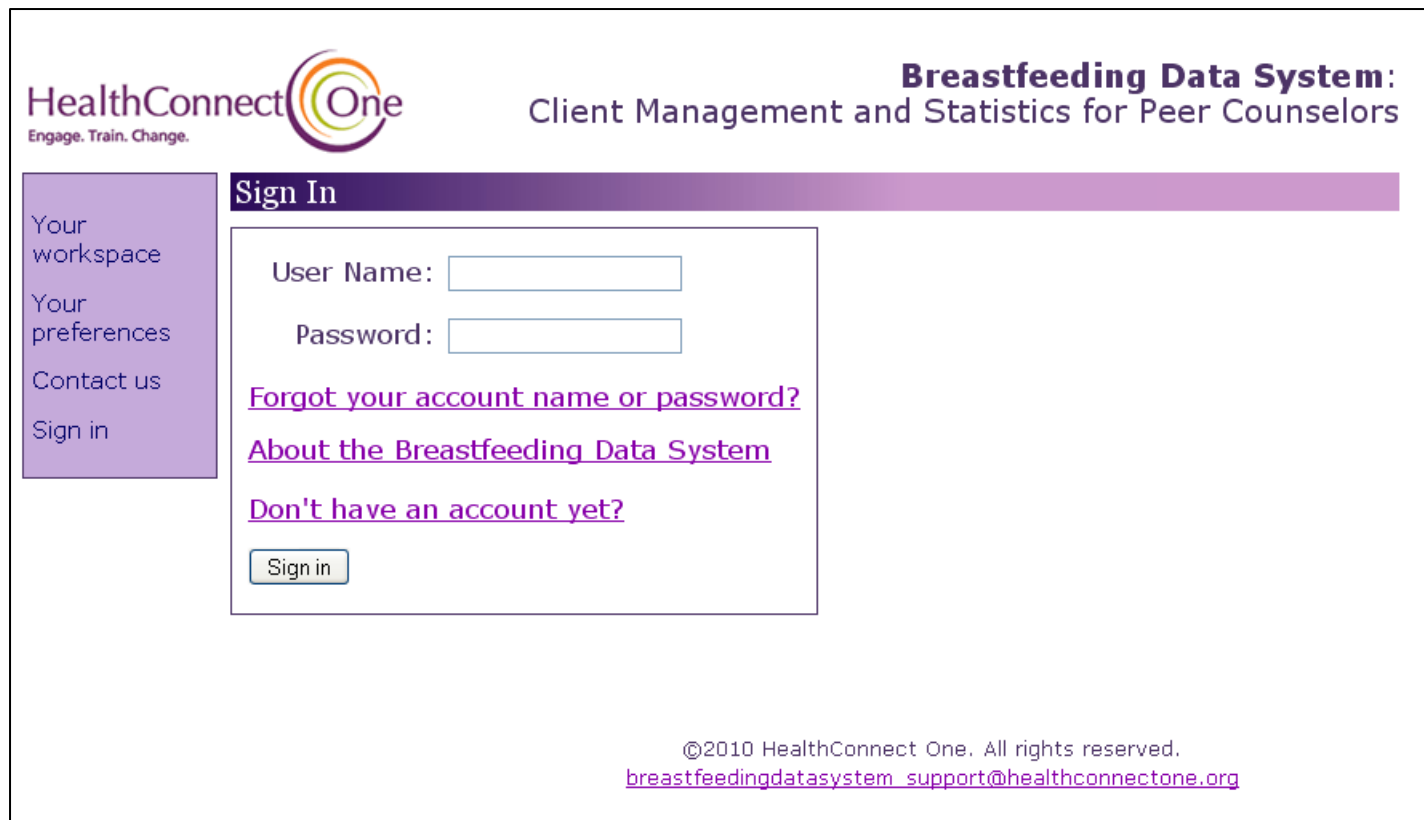

Keeping Confidentiality

- Keeping data safe is a critical part of BDS
 - Staff at local agencies and at HC One will need to sign confidentiality forms
 - All clients sign HC One HIPAA
 - Informed Consent forms for future research collaboration
 - Web Secured
 - Protocols to ensure client information remains private and confidential
 - Maternal & Child Health Data Coordinator

Welcome to BDS!

- As a counselor, as a supervisor, as a site director...

The screenshot shows the login interface for the Breastfeeding Data System. At the top left is the HealthConnect One logo with the tagline "Engage. Train. Change." and the text "Breastfeeding Data System: Client Management and Statistics for Peer Counselors". A purple navigation bar contains the "Sign In" link. On the left, a purple sidebar lists "Your workspace", "Your preferences", "Contact us", and "Sign in". The main content area has two input fields for "User Name" and "Password", followed by three links: "Forgot your account name or password?", "About the Breastfeeding Data System", and "Don't have an account yet?". A "Sign in" button is at the bottom of the form.
