You are Invited to this Historic Event!

HealthConnect One in partnership with the Illinois Department of Human Services and the University of Illinois at Chicago School of Public Health have collaborated on a statewide initiative to increase breastfeeding across the state. We met with stakeholders across Chicago to get their input. This is the result of those forums. Come learn about the data being used in the statewide Illinois Breastfeeding Blueprint! We invite your comments on the recommendations for action.

To RSVP or for more information, call 312-878-7019
