### **SPONSORS**

**IRVING HARRIS  
FOUNDATION**

Healthy births are the cornerstone of a healthy community. For thirty years, HealthConnect One has transformed how babies are born and cared for in their crucial first few months of life. We collaborate with low-income communities and communities of color across the country to ensure support for the most vulnerable people in every part of their lives.

As a sponsor of HealthConnect One's 30th Anniversary Gala, you will offer powerful and intimate support to communities, mothers, children and families in Chicago and across the country.
